ACTIONABLE ADVICE

Tried-and-tested
in the real world

A MESSAGE FROM GARY GUNN FOUNDER OF SOCIAL ATTRACTION

All those years ago, just after my car accident when I was at rock bottom, I struggled emotionally and had no success with women. I wanted to hire a dating coach, but there were only two kinds.

One adopted the “trust me, bro” attitude, while the other was “trust me, because I’m an attractive woman.”

Both of these approaches had no evidence beyond their claims. I wanted more and, ever since that day, creating trustworthy advice has been my guiding light.

Over 15 years ago, I launched Social Attraction, a brand that now represents evidence-based dating guidance backed by psychology and tried-and-tested in the real world.

Now, I coach single men because I know how it feels to be able to take action and meet and attract women on my own terms.

Not competing on dating apps, spending unnecessary money, or socialising in the hope of success. I know how to create an attractive lifestyle where you can meet and attract the women you desire on your own terms.

No waiting, no hoping and definitely no chasing.

How to become the desired one, the one waited on and the one who has a choice over who he dates.

And yes, if you invest in our training, we can coach you to have similar self-confidence and success in your dating life.
